General Secretary to Government,
B a n g a l o r e.

Sir,

Subject:- Acquisition of a portion of S.No.25/1 of Basavapatna village, Ramanathapur Hobli, Arkalgud Taluk, required for the L.F. Dispensary at the place.-

---

I have the honor to state that a Takarar Takhta was placed in the year 1929-30, against one Mallashetty of Basavapatna village, Arkalgud Tq for having unauthorisedly constructed 2 houses in S.No.25/1 of the said village, and the matter was enquired into. S.No.25/1 is a Brahmadaya Inam land, 3 acres and 23 guntas in area, assessed at Rs.4-10-0, and is classed dry, the Vrittidar of which is Mallasetty.

2. During the course of enquiry it was ascertained that Mallasetty had given away, free of cost, a portion of S.No.25/1, measuring 1 acre and 3 guntas approximately for the construction of a Dispensary building. The construction of the Dispensary building has been completed and the Dispensary is stated to be functioning. Connected with the said building a kitchen and a latrine have also been constructed, the total area taken up for the construction of these buildings being 1 acre and 10 guntas.

3. In constructing the buildings and laying out compound for the same, a portion of S.No.25/2 measuring 7 guntas has been included with the portion of S.No.25/1 handed over free by Mallasetty when he was alive The said portion of 25/2, is reported to have been included in S.No.25/1 by an error during the introduction of the Record of Rights into the

the Taluk, and treated as a potion of the latter S.No. The owner of this land, one Shivappa Setty, has given a mutchalika making over the extent of 9 guntas taken up for Dispensary free of cost.

4. Permission was refused to the heirs of Mallasetty, for the construction of private residential quarters on another portion of S.No.25/1, and a recommendation was made to the Revenue Commissioner to accord sanction to the alienation of the extent on which the Dispensary buildings are constructed waiving the recovery of commuted assessment and conversion fine, as the said land had been appropriated for a public purpose. The Revenue Commissioner, proposed, in his Docket No:C.4072/35-36, dated 26th May 1936, that 25 years' assessment due on the extent may be recovered from the Village Panchayet concerned and formal acquisition proceedings taken to obtain indefeasible right thereto.

5. It is now reported that the Village Panchayet of Basavapatna have credited a sum of Rs 44-7-0, being the commuted assessment and cesses on the land in question. The owners of the land having given mutchalikas handing over possession of the required extent free of cost no question of payment of compensation arises in this case.

6. In these circumstances, I recommend that the said land may be acquired, and request you to be so good as to cause the publication of the enclosed draft preliminary notifications in English and Kannada in duplicate, in the Mysore Gazette. 10 spare copies of each of the printed notifications may kindly be arranged to be supplied to this office for local publication.

7. The entire file of connected vernacular records, ending with report No.Ali:3/35, dated the 21st October 1936, from the Amildar, Arkalgud Taluk, is forwarded herewith for kind reference and

and return.

I have the honor to be,
Sir,
Your most obedient servant,

Treasury Assistant Commissioner
